

# REJECTION OF UNINSURED MOTORIST COVERAGE (Kentucky)

Uninsured Motorist Coverage provides coverage that protects insureds who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of bodily injury, sickness or disease, including death, resulting therefrom.

Kentucky Insurance Code Section 304.20-020 requires that every automobile liability insurance policy that covers liability arising out of the ownership, maintenance or use of a motor vehicle must contain Uninsured Motorist Coverage unless any named insured rejects the coverage in writing. If the coverage is not rejected, it will be included in the policy in limits equal to the minimum limits required by Kentucky Insurance Code Section 304.39-110.

In accordance with Kentucky Insurance Code Section 304.20-020, the undersigned named insured agrees that the Uninsured Motorist Coverage afforded in the policy is hereby rejected. The rejection shall be valid for all insureds under the policy.
