

## FOUNDRIES

### **Need coverage for Foundries? We have you covered!**

PHLY E&S offers General Liability coverage using ADMITTED forms in addition to surplus lines. This flexibility allows PHLY to develop terms to fit the needs of the Insured on a competitive basis.

Foundries provide support for a broad range of products and component parts as small as a few ounces and in excess of 200 pounds. Whether its sand, centrifugal, or investment casting including fabrication and finishing services, PHLY is in position to offer help. Materials used include steel, stainless steel, gray & ductile iron, aluminum, nickel, brass, bronze and custom alloys.

#### **Coverages/Capacity**

Philadelphia Insurance Companies is the marketing name for the insurance company subsidiaries of the Philadelphia Consolidated Holding Corp., a Member of the Tokio Marine Group. Coverage(s) described may not be available in all states and are subject to Underwriting and certain coverage(s) may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds. | © 2025 Philadelphia Consolidating Holding Corp., All Rights Reserved.
