## REJECTION OR SELECTION OF UNINSURED MOTORISTS COVERAGE (Georgia)

**Uninsured Motorists Coverage** provides insurance for the protection of persons insured under the policy who are legally entitled to recover damages from the owner or operator of an uninsured motor vehicle because of bodily injury, loss of consortium or death of an insured or for injury to or destruction of property of an insured under the named insured's policy.

Georgia law (Insurance Code Section 33-7-11) permits you to **select** Uninsured Motorists Coverage in limits of liability equal to or higher than the basic financial responsibility limits required by law, or equal to or lower than the limits of Liability Coverage in your policy. Under this option, the Uninsured Motorist Coverage you **select** shall be available as additional insurance coverage in excess of any available bodily injury and property damage liability insurance coverages.

Georgia law alternatively permits you to **reject** the above option and **select** Uninsured Motorist Coverage that will cover you only for the amount of the difference between the available coverage under the bodily injury liability insurance and property damage liability insurance coverages of the uninsured motor vehicle and the limits of the uninsured motorist coverages provided on your motor vehicle policy. By **selecting** this option, the amount of Uninsured Motorist Coverage provided under your policy shall be reduced by any amounts payable under any available bodily injury liability and property damage liability insurance coverage.

Georgia law also permits you to **reject** Uninsured Motorists Coverage completely.

In accordance with the above-mentioned Georgia law, the undersigned insured (and each of them)—
