Equipping Child-Serving Organizations

The risk is high ... the cost of prevention does not have to be.
Organizations need good information and resources related to:

- Understanding the Risk
- An Effective Safety System
- Recognizing High Risk Indicators (Effective Screening)
- Knowledge of Reporting Requirements
- Changes in the Law
- Preventing Peer Sexual Abuse
- Responding to an Allegation

Working Together to Provide:

- Live and Online Trainings / Workshops*
- On-site System Assessments*
