

PHLY/Slice CONTRACTING PROGRAM

PHLY E&S and Slice Technologies have partnered to launch a fully digital platform focusing on small Commercial Contracting risks. Minimum premiums start at \$1,000 to a maximum premium of \$10,000. Approved agents will have the direct access to quote, bind, and issue policies in a matter of minutes. Product offers flexible payment options. This product is meant to compliment the contracting risks we currently write on a larger scale throughout the country.

Slice

Target Exposures

- Artisan/Trade contractors
- Small General Contractors
- Remodeling Contractors
- Available in all states except, Kentucky, Louisiana, and New York

Target Classes

- Carpentry
- Painting, Plumbing
- Drywall
- Subcontractors
- HVAC
- Janitorial, Landscaping
- Electrical
- Metal Erection, Masonry
- Excavation
- Grading of Land
- Handyperson
- General Contractors
- Any many more

Coverages

- Non-admitted paper
- Commercial General Liability Coverage
- Inland Marine Coverage (for small schedules of tools and equipment)
- Flexible Limits up to \$1M per occurrence/\$2M General and Products aggregate
- First Dollar Coverage
- Available coverages enhancements (Blanket Additional Insured, including Completed Operations, Per Project Aggregate, Waiver of Subrogation, and Primary Non-Contributory Coverage)

Unacceptable Exposures:

- Residential work including tracts, condos, or co-ops
- Wrap-ups (OCIPS/ CCIPS)
- Property Coverage for Builder's Risk
- Operations in the State of New York and Louisiana
- Occupied structures

The Slice Platform:

The Slice system offers an easy-to-use Journey to obtain a non-bindable indication in 2 minutes with minimal information.

- Insured name
- Insured address
- Number of employees and owners
- Types of services provided (Artisan or General contractor)
- Effective date
- Class codes, based on the eligible classes provided for the program.
- Exposure base (Payroll, Sub-costs, Sales)

A final bindable quote will take an additional 3 minutes, by answering a few class specific questions and coverage requirements. Once payment is received, the system will immediately produce a policy.
