Excess Attendant Care Coverage

Attendant care coverage provides services to assist an injured person with tasks they would normally do for themselves (e.g., eating, bathing, dressing, grooming, and medication administration). It may also involve supervision or other types of support. This coverage is provided in your PIP medical coverage.

For an additional charge, Excess Attendant Care Coverage provides an additional \$10,000 limit, above the limit provided in your Personal Injury coverage. This optional coverage is only available if you selected one of the following Personal Injury Medical Expense limits: \$50,000; \$250,000; \$500,000

- Check here if you wish to add this optional coverage
- Check here if you DO NOT wish to add this optional coverage

If you do not make a selection above, sign, date and return this document, Excess Attendant Care Coverage will not be included in your policy.
