

**REJECTION OF UNINSURED MOTORISTS COVERAGE OR SELECTION OF LIMITS (COLORADO)**

Colorado law permits you, the insured named in the policy, to reject the Uninsured Motorists Bodily Injury Coverage OR you may select limits that are equal to the Bodily Injury Liability limits OR you may select limits less than the Bodily Injury Liability limits, but not less than the minimum limits required by Colorado law (either split limits of \$25,000 for each person, subject to \$50,000 for each accident with respect to bodily injury; or a single limit of \$50,000 for each accident).

Uninsured Motorists Coverage for bodily injury provides insurance for the protection of persons insured under the policy who are legally entitled to recover damages from the owners or operators of uninsured motor vehicles because of bodily injury, sickness or disease, including death resulting therefrom.

Uninsured Motorists Coverage for bodily injury includes coverage for damage for bodily injury or death that an insured is legally entitled to collect from the owner or driver of an underinsured motor vehicle. An underinsured motor vehicle is a vehicle which is insured for bodily injury or death at the time of an accident.
