The listing of an insurance company in this notice shall not constitute a representation or guaranty that (1) insurance coverage will be provided to you by a member company of PIC or (2) that any particular member company of PIC is authorized to offer in a state a specific insurance product or coverage. Products and coverage may not be available in all states or outside the U.S. This listing is provided for informational purposes only, as required by the regulatory authority cited. "Jurisdictions in which Insurance Business Transacted" means that, unless indicated otherwise, the named insurance company maintains a certificate of authority, which has been issued by the relevant insurance regulatory authorities, to transact insurance business in the jurisdiction(s) listed. If the insurance company transacts insurance business in a jurisdiction as a "surplus lines" insurer, the insurance company does not maintain a certificate of authority in that jurisdiction.
