Thank you for your interest in Philadelphia Insurance Companies' **SMARTER**NOW!**** Learning Management System

Philadelphia Insurance Companies (PHLY) is pleased to offer our **SMARTER**NOW!**** Learning Management System (LMS), exclusively to PHLY customers. Provided at no additional charge, this distinctive service is designed to complement your existing risk management efforts and further protect your organization.

Please note: Your organization must appoint a Client Administrator who will be responsible to learn how the site operates and to manage your PHLY sponsored SmarterNow! Learning Management System (LMS). Access to courses is dependent upon the line(s) of coverage provided by PHLY, and the site is owned by OTIS. OTIS customer service is available to help your Client Administrator maintain and troubleshoot any issues you may encounter at 877.440.6049.

Please save and fill out this form, and then attach with an e-mail to SmarterNow@phly.com. You will be send a confirmation email as well as a phone call to guide you through the site.

* Name of Organization

* Organization Main Office

* City and State

Policy Number and Expiration Date (if known)

Account Number (if known)

* Administrator's Name
