

**REJECTION OF UNINSURED AND UNDERINSURED MOTORISTS
COVERAGE OR SELECTION OF LIMIT OF LIABILITY
(Alaska)**

Alaska Statutes (Sections 21.96.020 and 28.20.445) permit you, the insured named in the policy, to reject Uninsured (UM) and Underinsured Motorists (UIM) Coverage in its entirety or to reject only the Property Damage portion of the Coverage. Alternatively you can select Property Damage only and reject Bodily Injury. If the Bodily Injury portion of the Uninsured and Underinsured Motorists Coverage is not rejected, you may select a limit for Bodily Injury lower than the limit for Bodily Injury Liability Coverage provided in your policy but not lower than the basic financial responsibility limit of \$50,000 per person/\$100,000 per accident. If the Property Damage portion of the Uninsured and Underinsured Motorists Coverage is not rejected, you may select a limit higher than the basic financial responsibility limit of \$25,000.

Uninsured and Underinsured Motorists (UM/UIM) Coverage provides insurance for the protection of the persons insured under the policy who are legally entitled to recover damages from owners or operators of uninsured or underinsured motor vehicles because of bodily injury or death, or for damage to or destruction of the covered motor vehicle, or both. UM/UIM Coverage provides coverage for the insured for injuries sustained as a pedestrian or bicyclist by a motor vehicle.

Uninsured and Underinsured Motorists Coverage does not provide coverage for punitive damages that might otherwise be recoverable from an uninsured or underinsured person.

In accordance with Alaska Statutes (Section 21.96.020 and 28.20.445), the undersigned insured (and each of them) agrees to the following option: (Applicable option marked X)

- 1. UM/UIM coverage, Bodily Injury and Property Damage, that is equal to the applicant's voluntarily purchased liability limits.
- 2. UM/UIM coverage, Bodily Injury and Property Damage, that is greater than the applicant's voluntarily purchased liability limits with specific limit options up to one million/two million.*
- 3. UM/UIM coverage that is less than the applicant's voluntarily purchased liability limits. The lowest amount that is allowed to be purchased by Alaska law is \$50,000 per person/\$100,000 per accident for Bodily Injury and \$25,000 per accident Property Damage with a \$250 deductible.
- 4. UM/UIM Bodily Injury coverage is rejected and Property Damage accepted.
- 5. UM/UIM Property Damage coverage is rejected and Bodily Injury accepted at:
 - the same limit as the limit for Bodily Injury Coverage provided in your policy.
 - a higher limit than the limit for Bodily Injury Coverage provided in your policy.
 - a lower limit than the limit for Bodily Injury Coverage provided in your policy.
- 6. Both UM/UIM Bodily Injury coverage and UM/UIM Property Damage coverage are rejected in their entirety.
