## REJECTION OF UNINSURED MOTORISTS COVERAGE

### (Montana)

Montana law permits you, the insured named in the policy, to reject the Uninsured Motorists Coverage. Uninsured Motorists Coverage provides insurance for the protection of persons insured under the policy who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of bodily injury, sickness or disease, including death resulting from the injury, sickness, or disease caused by an accident arising out of the operation or use of the motor vehicle. An uninsured motor vehicle is a land motor vehicle, the ownership, the maintenance, or the use of which is not insured or bonded for bodily injury liability at the time of the accident.

In accordance with Montana law, the undersigned named insured (and each of them) agrees that the Uninsured Motorists Coverage afforded in the policy is hereby rejected.
