## TENANT USERS LIABILITY INSURANCE PROTECTION (TULIP)

### Benefits of this Program

Philadelphia Insurance Companies' (PHLY) Tenant Users Liability Insurance Protection (TULIP) is insurance uniquely designed to provide short term liability insurance coverage for tenants of facilities or venues for events which cannot be covered under their current insurance or for which they have no other coverage. By purchasing the coverage under a policy written for all tenant users of a specific facility or venue, the tenant user not only meets the contractual obligations required by the venue, but obtains coverage that is more competitive than purchasing a single special event policy. A simple one page questionnaire is all that is needed to apply. Typical facilities or venues needing TULIP coverage include stadiums, arenas, convention centers, religious institutions, performing arts centers, and schools.
